MILLBURY SELECTMEN'S MEETING DIGEST

By Edward J. Cooney

MARCH 17, 1987

Following the signing of Warrants and the approval and correction of minutes, Chairman Wynton Adams moved the meeting to "Dates to Remember":

1. March 19 - Worcester County Selectmen's Meeting at White Corners Restaurant.
2. March 30 - Mediation meeting at 7:00 p.m.
3. April 4 - Annual Town meeting will meet only to postpone until May 12, 1987.
4. May 8 - Student Government Day
5. May 12 - Adjourned Session of the Annual Town Meeting

- Under "Old Business", Selectman Donald Gauthier brought up the concerns of the Finance Committee that funds received from the Resource Recovery Plant to the Town might get raided. The idea of a "special fund" to set aside those funds was briefly discussed. Adams noted that there were specific conditions for a "special fund" and that it would require an act of the Legislature to establish and meet the conditions.

- "Old Business" items were suspended at 7:30 p.m. in order to meet with representatives of Russ Bedard, builder and developer of homes to be located off Millbury Avenue near Dorothy Manor School.

Bedard had requested a street opening permit several weeks ago in order to connect the project to the drainage system on Millbury Avenue, running north to Wheelock Avenue. The Selectmen had held up the permit because of serious concerns surrounding the possibility of the present drainage system not being able to handle the additional water flow from the project.

Selectmen John Donnelly had requested and had studied the engineering plans presented by Bedard but was not convinced that the proposal was adequate.

Representatives of Bedard presented an alternative route for water drainage to flow southerly along Millbury Avenue.

On a 5-0 vote, the Board approved the street opening permit to connect to the drainage system.

- At 7:45 p.m., Alged Rudnickas brought before the Board suggestions concerning a need to develop a "liaison" between the Board and the Resource Recovery Advisory Committee. He suggested the possibility of meeting on a monthly basis.

Chairman Adams inquired if he was speaking for the Advisory Committee. Rudnickas replied that he was speaking for himself, but would bring the matter before the Advisory Committee.

In another matter concerning the Resource Recovery facility, Rudnickas suggested the possibility that the Town could consider negotiating for options to acquire the residue. According to Rudnicaks, the Town could realize a possible financial return from the sale of the aggregate.

He also suggested that, at sometime in the future, the possibility might exist whereby Signal Resco would pay for wastes to utilize the potential commercial value of the residue. Rudnickas stated that he brought this suggestion to the Selectmen for their consideration.

- Returning to "Old Business", Adams stated that there was nothing new concerning Lewcott Chemical.

Chase noted that the schedule for installation and implementation of odor pollution controls was in the Board members' files. Adams then suggested that a request be made to Lewcott to attend a meeting in order to explain the schedule.

- Next, Chase informed the Board that no movement has taken place on finalizing an agreed price for the Providence Street School. He did indicate that another party was interested and would view the building and premises.

- A traffic count and study is to be made concerning the tonnage limitation for truck exclusion on Park Hill Avenue, according to Administrator Earl Chase. Two previous studies have been made by other groups.

- At 8:30 p.m., the Board met with the Building, Gas, and Electrical Inspectors, concerning the establishment of a building and code enforcement department.

Adams noted that it could not be presented to the Town Meeting and that further study and input from the Inspectors was needed.

After some discussion, a consensus was reached in which a temporary solution evolved. The telephone and clerical services would be utilized in the Building Inspector's office by including monies in his department's budget to cover the necessary expenses.

- Under "New Business", the Board approved street opening permits by U.S. Sprint at Rice Road, Curve Street, South Main Street, and McCracken Road.

Selectman John Donnelly moved for approval with the added condition that U.S. Sprint be allowed to jack-hammer the surface. However, if cutting under the road proves necessary, Sprint would be required to come back to the Board for additional approval.

- The Board also approved a street opening permit on Grafton Street by New England Telephone.

- Jude Cristo then brought up an item of concern. He suggested that consideration be given to restructuring Millbury Avenue using Chapter 90 funds. He noted that this item has been discussed repeatedly since he first came on the Board. Cristo asked that an article be developed to begin engineering studies.

Adams noted that the Selectmen look to the Highway Department for establishing the priorities for road work. No action was taken.

- Chief Brady, who was in attendance to discuss a transfer of funds, then requested that the Board meet in Executive Session to discuss matters pertaining to police security.

NEW KINDERGARTEN AGE REQUIREMENTS TO TAKE EFFECT IN '88

By Edward J. Cooney

MARCH 18

Chairman Hanratty called the meeting to order at 7:35. Regular meeting minutes were corrected and approved. Minutes for the Budget Meeting on March 10 were approved with a correction made by Committee member Patricia Cooney. Mrs. Cooney asked that the minutes include a clarification of her vote to have one less Grade 3 and one less Grade 4 teacher for 1987-88. She stated that her vote, which supported Committeeman Alan Tuttle's motion and Committeeman Bruce Pease's second, was made with the understanding that there be one less teacher at the High School level in 1987-88. The Budget Minutes were approved 4-0.

The Minutes also included information that the proposed budget was reviewed by Mr. Stickney and reduced by $109,500. The Committee also voted to reduce the textbook account by $10,000, supply account by $4,500, the 7300 account by $13,000, and the 7400 account by $2,000. The Athletic Budget was also reduced by $4,500, from $59,950 to $55,450.

- Correspondence was read by Chairman Hanratty concerning many responses about the recent recognition service awards buffet given to honor the school department employees.

- Kelton Johnson, Elmwood Street School principal, was present with members of the Kindergarten Advisory Committee, and staff, to present recommendations for the "entering age requirement" for kindergarten.

It was the consensus of the Advisory Committee and Johnson that children must reach age 5 by September 1 for entrance to the kindergarten program. This will take effect in the '88-'89 school year. A second recommendation was presented that no exceptions be allowed.

The School Committee voted 5-0 to accept the recommendations.

- The Committee took no action on a recommendation of the Parent Improvement Council to spend $3,670 for a copy machine and other equipment for the Elmwood St. School. After several minutes of discussion, the School Committee pointed out that science kits had been turned down at the Middle School because they were items to be submitted through the regular budget and that it would be inappropriate to vote for a copy machine which was also a regular budget item. Johnson indicated that he would go back to the Council and come up with a revised request list.

- Mr. Fouracre was present to discuss questions raised at the last meeting concerning a request for establishing a summer football camp at the high school this summer.

One of the major concerns of the Committee was the use of Millbury's helmet equipment by participants at the camp. Maintenance and care of the equipment by non-Millbury students was a major concern.

Fouracre explained that non-Millbury participants would use helmet and shoulder pads acquired from their own schools and that only Millbury students would be using Millbury's equipment.

A letter from the M.I.A.A. counseled Athletic Director Garabedian that the Millbury School Department could not subsidize the summer camp program in any way. Additionally, the camp must be limited to no more than 50% of the candidates of the Millbury High Football Program, including sub-varsity and varsity programs. Also, members of the Millbury coaching staff will be limited, at all times, to working with groups or sub-groups which include no more than 50% of the Millbury High football candidates.

The Committee voted 5-0 to approve Fouracre's request.

- Next, Dr. Sylvia presented a slide presentation showing the State Basic Skills results for Grades 3, 6 and 9. Sylvia noted that the Grade results indicated that the students did fairly well but that there was room for improvement. The presentation was done in a bar graphics format that indicated that Millbury students in Grades 3, 6, and 9 were one or two points below the state "comparison band" for communities of the same kind as Millbury. Sylvia stated that the test was "made easy" so that students who had developed sound knowledge of basic skills would score high on the test. "In reality, the test is testing grades 2, 5, and 8, since the test was given in October," said Sylvia.

The summary of the test results were presented for three different standards or marking levels: 60-70-80. Grade 3 scores in Reading at the 60 mark were 95 as compared to State scores of 96-99. The Math score was 96 as compared to the State score of 97 to 100. At the 70 mark, Millbury scored 88 (Reading) and the State score was 95-98. In Math, Millbury scored 91 and the State was 95 to 99.

At the highest possible standard of 80, 3rd graders scored 84 (Reading), as compared to the State score of 87 to 95. In Math, they scored 80 compared to the State score of 86 to 94.

HERE . . . THERE . . . EVERYWHERE
Bits 'n Pieces
. . . Joe Morin

CONFUCIUS SAY: "Loose lips sink ships; also, loud mouths cause many headaches".

HI FRIENDS! We're about a week late with our column; we apologize. I'm sure you all survived without it. Again we have gathered a few thoughts, a few comments on this and that. We'd like to share them with you.

FIRST OF ALL - To all our readers at the Centerview Apartments in Millbury, we send over a big kiss to all the gals there and a strong firm handshake to all the menfolk. We hear that you enjoy the column and you all get quite a laugh over it. That's my function, to put a smile on somebody's face, to give you something to laugh about, and perhaps talk about. God, do we all need that today in this day and age....

LIFE'S EMBARRASSING moments. A neighbor, whom we hadn't seen for about 30 years, passed away. Her wake was held in Worcester. We attended the wake, entered to extend our sympathies, but the deceased didn't ring a bell with me. She didn't seem to be the person I'd known 30 years ago. Again, we thought, are we at the correct funeral parlor? Is it the one up the hill? Should I just walk out sheepishly? Nay-nay. We did the correct/proper thing. We knelt, offered a prayer, and proceeded to extend our sympathies to what I though at the time would be complete strangers. But then, with great relief, I heard a voice cry out: "Joe Morin, how the heck are you!" Was I relieved. I was at the right place...30 years ago; my how time do fly by. Rest in peace dear neighbor of 30 years ago. I didn't recognize you. I'm sorry.

NOW ON THE LIGHTER SIDE. We see where there is a notice of intent to raise the price of the .22 stamp to 25 cents. We also spotted the story about a mail carrier in Rhode island who, for unknown reasons, had been burying mail sacks (full of mail) in his backyard. Maybe that's the reason for the suggested price increase on the stamps - it's to help pay for the cost of recovering all that mail that's being dumped in somebody's backyard. Good Grief! Confucius will have something to say about that.

PRAISE THE LORD. The powers that be have finally decided to do something about death's highway, namely Route 20. How many more fatalities/accidents would it have taken to get those bozos to do something about it...SPEAKING OF BOZOS...When an insurance premium is due you, pay it or else. When your car insurance is due, you pay it or else. Why does it take months for us to collect from them? Why is it the little guy always takes the back seat?

HEY FRIEND! How about this one...in Cambridge the "No Smoking" rule is on for public buildings, state buildings, etc. They are even imposing fines of 40 dollars to law breakers. Why we even heard the police department down there will be enforcing the law; they have been authorized to carry water pistols to douse the butts. I kid you not.

SMOKING IS BAD...but the same people who are imposing their views on others are the same who go home, throw some dirty old logs in the fireplace and pollute the whole town with the dirty, harmful and smelly smoke emanating from their fireplaces - just my opinion, of course, for what it's worth.

PUDDLE JUMPERS. Once a year in a town in England, thousands of frogs migrate from one swamp to another. They had a problem. They had to cross what we in Millbury would call Route 20. Half of them never made it across due to the tremendous traffic. Solution: Build a 10 inch diameter culvert beneath the highway for the little guys. It's working, because somebody cared! Ribbitt!

AND NOW FOR A LITTLE here and there...We tuned in weeks ago to the installation of the new Auxiliary Bishop in Worcester. When we tuned in, the trumpets were blaring, the drums were a' drummin'...We thought we had the wrong station. We thought it was the coronation of a king. But I guess it was a time for celebration; too bad it wasn't televised. THERE WAS A photo in a local paper recently of a woman clutching a few hundred dollars she had won at a bingo game in a church in Worcester. It's strange today to have a church noted for its big bingo winnings and nothing else. WHAT CHANCES do you give Governor (The Duke of Paducah) Dukakis in his race for the Presidency? I say zilch! But what the heck, we said the same thing about Jimmy Carter. Jimmy who? Remember him? I GOTTA TELL YOU this one and I kid you not. Last week in a Worcester bank on Main Street, a little old lady in front of me was cashing her $500 check and told the teller (a very young, pretty, but obviously very nervous teller) to deposit $100 in her checking account, which the cute teller did.

TELLER from Page 6

The teller then proceeded to give the little old lady her change. The little old lady counted it and it came up to $500. The honest little old lady gave the teller $100 back...that's not all. (Boy, am I wound up this week). I then approached the cute little teller, attended to my transaction and waited for my change, about .62. The teller told me that she had already given me back my change (she hadn't). Observing she was new at the job, a nervous wreck, I told her to forget it. But how is she going to explain to those in charge where that .62 came from at the end of the day. It could foul up the books!

THE BELLS ARE RINGING...not really. But, we'll have the next best thing, eventually. St. Mark's Parish in Sutton is having an electric carillon system installed, whereby the sound of bells will be emanating from the church within and without. Maybe some day we'll have a steeple and get the real mccoy. But we're all thankful for the electronic bells, for now...DID YOU know that history always repeats itself because nobody listened the first time around? Think about it. BLACK SHUTTERS on the Sutton Town hall would give it the semblance of a public building, not a big white barn. That's what it looks like. Good Grief! I'll hear from Barbara now. Sorry about that.

WELL, FRIENDS...We hope you got a kick out of all the blabbering. We hope we did manage to put a smile on your face, for if we did, this job of putting this column together was well worth it. Job? No! Believe me, it's a pleasure and a joy to be doing this. We ask you this dear friend, we ask you to hug your wife, wife give your old man a big hug and a kiss; parents give your children a hug, tell them you love them and care about them; give your teenage son, daughter a special hug for they have a lot on their minds today. They need all the support/understanding that you can show them. Maybe you could all get together some Sunday, as a family, and attend a church of your choice, and thank God for what you have. Remember, to be loved you must give it.

GUESS WHO'S still out gallivanting - The Cat. He hasn't been seen for a couple of weeks now. He's quite a vagabond. Hey, I'm not

going to worry about him, he can take care of himself. PeeWee, well, he's like me, he enjoys staying close to home...That's it good friends, until next time, we ask that God be with you. Shalom! Peace!

APRIL HIGHLIGHTS

APRIL 1, 8 & 14 from 1:00-2:30: Quilting Course. Janet Manahan teaches how to make a quilted wall hanging in this three session course. See a sample of this project in our current quilting display. Course fee is $10, materials included. Sponsored by the Friends of the Millbury Public Library.

APRIL 3: Pets are Wonderful. Bring us a picture of your favorite pet today, or any day in April. We will hang your pet's picture for all to admire in our Pets Are Wonderful display. If you don't have a picture of your pet, borrow one of our Polaroid Sun Cameras for your picture taking.

APRIL 6-11: National Library Week. Come help us celebrate National Library Week by participating in one of the many activities and programs going on at the library.

APRIL 7 from 10:00-11:30: Death of Salesman by Arthur Miller. This is the second book discussion program in our "Working" series. Join Professor Sarah Getty for what promises to be an interesting and provocative discussion of this timeless play. The book is available at the library. Also available is the film version of the play on video cassette.

APRIL 7 & 14 from 3:30-4:30: Graf-X. A one hour introduction to the graphics capabilities of the Apple Mouse. Once completing the course, "Graf-X X-perts" may reserve time to develop their own designs. This popular program is available to children in grades three and up. Registration is a must.

APRIL 11 at 11:00: A Visit from Mother Goose. Millbury Women's Club welcomes Mother Goose to pay a call on the Millbury Public Library. Dressed in the costume of her time and place (17c Boston) Mother Goose will begin her visit talking about different types of goose feathers and the uses for each. She will recite nursery rhymes, sing songs, play games, and tell more than a story or two. Registration starts April 1 for children four years and older.

APRIL 16 from 3:30-4:30: Bunnies and Baskets. Children five to seven will learn how to make Easter baskets. Children seven years and up will delight with learning how to sew bunnies. Registration a must.

APRIL 21 from 10:00-11:30: Professor's House by Willa Cather. This is the third book discussion in our "Working" series. Join Professor Leah M. Glasser for a lively and interesting discussion of this book. If you've missed any of our earlier programs in this series, you're welcome to join in now. Books are available at the Library.

APRIL 28 to JUNE 11 from 10:30-11:30: Story Hour. A program of stories, games, songs and crafts for your favorite preschooler. Designed to help children develop a love of books and reading. Story Hour is offered every Tuesday and Thursday. Registration starts April 14.

MILLBURY. On Saturday, April 11, at 11:00 a.m., the Millbury Woman's Club welcomes Mother Goose, who will pay a visit to the Millbury Public Library.

Mother Goose will be portrayed by Marcia Perlmutter of "Characters" Educational Theater, Franklin, Massachusetts.

Registration starts April 1 for children four years and older.

AROUN' THE TOWN

By Lillian C. Sheehan

ST. BRIGID'S WOMEN'S CLUB

Members please note: The date of the April meeting is changed (because of Holy Week) from the 16th to April 23rd. The meeting will convene at 7:30 p.m.

Co-chairmen for the evening are Mrs. Francis McKeon and Mrs. Stuart Mulhane, who will be assisted by Mrs. Walter Bekier, Mrs. Daniel Donovan, Mrs. Roland Dunn, Miss Suzanne Dwinell, Mrs. Louis Felice, Mrs. Peter McDonough, Mrs. Edward Plante, Mrs. Thomas Griffith, Mrs. George Malo, Mrs. Oran Matson, Miss Helen Powers, Mrs. Leo Powers, and Mrs. Frank Sheehan. The speaker for the evening is Barbara Herman, whose topic is Interior Decorating.

MILLBURY WOMAN'S CLUB

The April meeting of the Millbury Woman's Club will be held on Monday, April 6. The program, "How to do the Most with the least" will have Muse Norcross as speaker.

Co-Chairmen are Arlene Ball and Betty Stockwell. Hostesses for the afternoon are Nancy MacLeod, Kay Cristo, Lois Ferguson, Betty Kotzen, Mildred Stowe, Thelma Swedberg, Anne Perkins, Irma Svenson, Lou Trachimowicz, and Sonia Parent. Jeri Stead and Betty Stockwell will be in charge of the Art Corner for this month, which will feature needlework and painting.

VOTER HALL OF FAME

Mrs. Kathryn Hart, member of the Club and the Representative for Silver Hair Legislature, has received a letter announcing that applications are available for the Massachusetts Voter Hall of Fame.

Since 1984, the first year of this program, more than 1,500 citizens of the Commonwealth have been inducted into the Voter Hall of Fame. These deserving voters had voted in every election in which they were eligible to vote during the last fifty years.

Anyone interested in applying for the "Voter Hall of Fame" should contact Kathryn Hart for an application blank. She will provide you with the details and rules for eligibility.

KINDERGARTEN REGISTRATION FOR MILLBURY PUBLIC SCHOOLS

MILLBURY. The Millbury Public Schools will be conducting a kindergarten registration for children who will be five years old before January 1, 1988. Registration will be held at the Elmwood Street School as follows:

TUESDAY, MARCH 31 at the Elmwood Street School Cafeteria from 9:00 a.m. to 11:30 a.m. and from 1:00 to 3:00 p.m.

WEDNESDAY, APRIL 1 at the Elmwood Street School Cafeteria from 9:00 to 11:30 a.m. and from 1:00 to 3:00 p.m.

WEDNESDAY, APRIL 1 at the Elmwood Street School Cafeteria from 7:00 to 8:00 p.m. for parents unable to register their children at either of the other two times.

We must have your child's birth certificate, immunization records and other essential health information before the child can be registered.

LOAN OFFICER APPOINTED

MILLBURY. H. Janice Lavallee of Millbury has been newly appointed to the staff of the Millbury Savings Bank as a loan officer. She was formerly Manager and Lending Officer at Bank of Boston and was on their staff for 11 years. In making the announcement, Dudley F. Bowker, president of the bank, expressed his confidence in the experience Ms. Lavallee brings to the position. She was educated in the Millbury School System, Assumption College and the American Institute of Banking. She and her family reside in Millbury.

Devoe's TV

From The Editor's Desk...

When we published our first edition on March 28, 1986, we carried an editorial explaining our philosophy and how we intended to serve the Millbury and Sutton communities. We stated that it was our intention to "Report, Inform and Promote".

In preparing our front page for our Anniversary Issue, we began to realize that, in spite of ourselves, we had managed to do just that. We have dealt with issues of major concern to our readers, reporting on the resource recover facility, Lewcott and Polyclad, the Sutton gravel pits, the transfer station debate. We even ruffled a few feathers in the process.

Focusing heavily on our schools, we have reported on School Committee meetings and highlighted those programs, teachers, and students who are representative of every aspect of our school systems.

We have carried many articles centering on the rich history of our communities, from information generously provided by the Sutton Historical Society, to the fascinating series of articles on the Asa Waters family by Grace Laflash. Through these, we have been able to provided a brief glimpse into the characters and characteristics that formed the framework for the towns of Millbury and Sutton. And this is just the beginning.

Recognizing that our churches, as in the past, are the center of much community activity, we have always tried to make ourselves available to promote upcoming events or to snap a photo of an event in progress. It is with no small degree of pride that we hear whispered comments of "The Chronicle's here!"

We are pleased that so many of the non-profit organizations in our towns look to us for publicity for their fund raising events. From the Annual Health Fair sponsored by the District Nursing Society to the Lion's Club parade on July 4th, to the Multiple Sclerosis activities held last month, we have never turned down an offer to help in any we can.

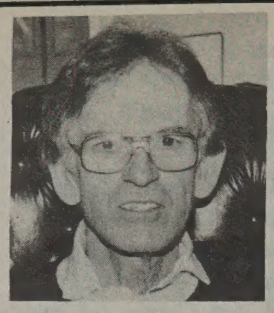
Thanks to the excellent reporting of Ed Cooney, Karen Potter, and Paula Ducharme, all Millbury or Sutton residents, we have made it possible for our communities to keep on top of those issues that should concern us all. By giving detailed accounts of our selectmen's and school committee's meetings, we have consciously and deliberately departed from traditional journalistic style. Our reasoning was that what may seem insignificant to one individual may be the most important item covered to another. We wanted our coverage to be more than a digest of proceedings.

In Lillian Sheehan's columns, "Golden Agers Update" and "Aroun' the Town", our readers are provided with a glimpse into the very active lives of our senior population, in addition to being kept abreast of on-going activities. Many of our readers are looking forward to retirement in order to join in the many activities that are available in both our communities.

For readers of Joe Morin's monthly column, his humor and wit touch at the core of many issues that, were they dealt with in a serious forum, might not provoke laughter.

In highlighting the businesses that have contributed to our success, we have been able to repay, in some small way, those advertisers who have truly underwritten our dream. The addition of Gail Higginbottom as our Advertising Representative saw our paper increase considerably in size, making it possible for us to bring you even more information.

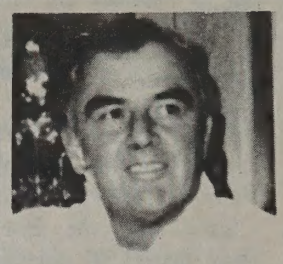
This editorial would not be complete without thanking our loyal subscribers who truly had faith in our survival. There were those



Edward Cooney

Karen Potter

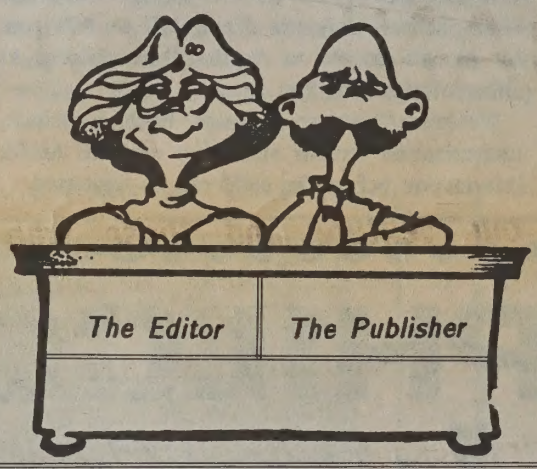
Lillian Sheehan



Joe Morin

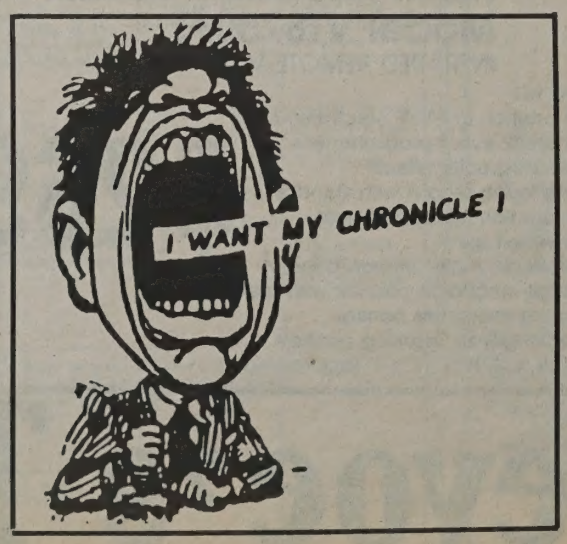
Paula Ducharme

Gail Higginbottom



doubters who said,"They won't last 3 months." And then they gave us no more than six months. When we survived our first half year, they then said we would never make a first anniversary. The reason for our success and growth is the direct result of a partnership between two beautiful communities filled with interesting and supportive residents who have welcomed and supported our endeavor. The communities have confided in us and have come to expect that we will explore and examine their concerns in as an objective and unbiased manner as is humanly possible.

In our attempts to attract new subscribers, we also became quite inventive over the year. We began with a subtle,

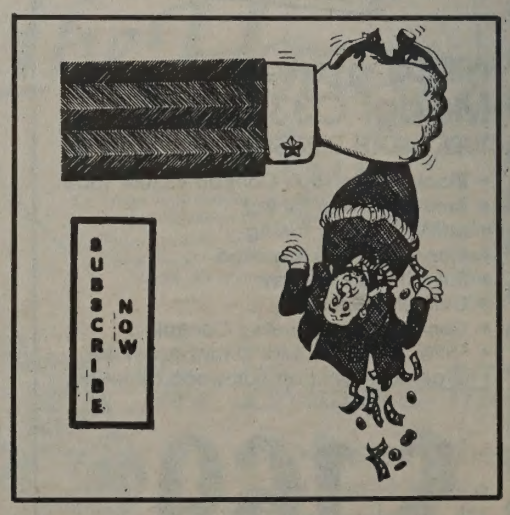


In attempt to become a little more direct we turned to,

Flowing with the seasons, we featured,

Finally, turning to the ever popular "Guilt Trip" we ran

Having achieved limited success with past campaigns, we have decided to go with the "no holes barred" approach and will be featuring the following for some time to come.



In looking over past issues, we have a great deal of satisfaction in the knowledge that the promises we made in Volume 1 No. 1 have been kept. Our pledge to Millbury and Sutton is to continue what we have started, even more strongly resolved in our commitment to the residents of Millbury and Sutton.

RAYMOND LEDOUX ANNOUNCES CANDIDACY

MILLBURY. Raymond L. Ledoux Jr., of 37 Elm Court, has announced his candidacy for election to a three year term as a Cemetery Commissioner.

Mr. Ledoux has been employed by the Millbury Post Office for the past 15 years. He is a life member of the Millbury VFW Post 3329 and the Dudley Gendron Post in Sutton.

Mr. Ledoux has been a resident of Millbury for 28 years. He and his wife, the former Kathleen E. Braney, have been married for 27 years and have three children, Darlene, Michael, and Donna, all Millbury residents.

SUTTON SUPERINTENDENT RELEASES TEST SCORES

SUTTON. Gordon J. Spence, Superintendent of Schools, released the following test scores, summarizing the basic skills testing programs established by the Public School Improvement Act of 1985.

In releasing the results, Spence cautioned that the tests and method used to report the results will indicated that an extraordinary percentage of Sutton students have mastered the basic skills. He noted that, for the large percentage of Sutton students, a much higher level of achievement will be expected. According to Spence, "If setting minimum standards lowers our sense of competition, stifles the individual initiative or creates any feeling of complacency between our teachers and students, then this testing program will prove counterproductive."

MILLBURY J.V.'s COME OUT ON TOP

The season is over, and what a season it was. If there was a title for J.V.'s in the S.W.C.L. the Millbury Woolies would have it.

They started the season on the rough side, losing their first three games, one to Shepard Hill and two in the Milford Christmas Tournament. All these games were outside league play. Their losses were small, none by more than 4 baskets. Then they entered the league and went 12 straight. With great hustling, rebounding and passing, they seemed unstoppable. Their 13th game was against Leicester and Leicester was out to win, which they did. Their second loss came against Grafton. They had beaten both of these teams before, but it was not in the cards this time.

Led by Sophomores Brian Juneau, Ryan Roach, and John Welcom, they had a fantastic year. With a league record of 12-2 and an overall record of 12-5, next year looks just great. This terrific trio led the team with great plays and scoring. Helping them out were Marc Anderson, Joe Bunevith, Mark Griffith, Ollie Knight, Jeff MacDonald, Bill Tuttle, Chris Wilbur, D.J. Williams, and Rodney Williams.

So, next December, if you're looking for something to do on a Tuesday or Friday night, we'll be at the High School gym. It's the best $2.00 you'll ever spend and you'll see high school basketball at its best.

To Coach Terry Bernard and his team, Thank you for a great season. You were just fantastic. As one of the Leicester parents said, "They're great players and show terrific sportsmanship," - a credit to all of us. Good Luck and Best Wishes for next year, and to all the team members, "You're the best."

SUTTON. Students at the Sutton Elementary School received Lifesaver Emergency Tags and listened to a talk on safety by Lt. Clarence Alger of the Sutton Police Department on Friday, March 20. The program was presented as part of the celebration of the 77th anniversary of the Central Massachusetts Council of Camp Fire. Camp Fire serves boys and girls in grades kindergarten through 12 in 18 communities in Central Massachusetts, including Sutton and Millbury.

According to Kathy Persons, coordinator of the program, the Tags, which can be sewn into children's clothing or laced into their shoes, list the child's name and address and basic medical and insurance information. In addition, a parental consent form is included which, if signed, would allow medical personnel to treat the child in the event of an emergency situation.

The Tags were distributed to all children in grades kindergarten through six. Additional tags are available in the schools and at the Sutton Police Department.

Left to Right: Eileen and Bob Weidman listen to Millbury Fire Chief, Thomas Nault, praise Weidman for his many years of service to the Department. Weidman was honored at the Charles F. Minney Post on Saturday, March 14.

BOSTON. Representative Paul Kollios (D-Millbury) recently took part in the signing of H.6397 by Governor Michael S. Dukakis. This measure mandates the training of all nurses aides to a minimum of sixty hours by the Executive Office of Elder Affairs. Kollios, Chairman of the Joint Committee on Human Services and Elderly Affairs, and a major supporter of the bill, said, "This particular piece of legislation is vitally important to the elderly citizenry of Massachusetts. It will provide professionally trained staff to assist in the care of our elderly."

TRIP TO VILLAGE HAVEN

Marie Lavoie is in charge of the trip to the Village Haven. Names will be taken at the meeting and each reservation must be accompanied with the fee of $10.00. This will take care of transportation and luncheon which will consist of Chicken, Shells, French Fries, Dessert and Beverage.

The date of the trip is Wednesday, April 1st. Busses will leave from St. Brigid's parking lot. The exact time will be announced at the meeting on March 31st.

SENIOR CITIZEN/VFW BREAKFAST

President Fred Bazin also announced that the Senior Citizens of Millbury are to join the members of the VFW and their families at a breakfast, similar to the one they had last year, on Sunday, May 3, at the Post Headquarters, 16 South Main Street. They will be serving from 7:00 a.m. to 11:00 a.m.

SPRING IS HERE

A sign of Spring - they are distributing our new telephone books.

Did you know that the first telephone directory in the world was issued just 109 years ago, in 1878, by the New Haven, Connecticut Telephone Company? It listed the names of just fifty subscribers.

Florida Renaud, who resides in the Centerview Apartments at 95 Elm Street, was 89 years young on March 12th. Helping her to celebrate was her husband Theodore, who has held that position since June 1923. And, as Arthur Godfrey used to say, "Good Lord willing" they will celebrate their 64th wedding anniversary this coming June. They have two daughters, ten grandchildren and several great grandchildren (Florida says she loses count).

This little lady does not miss any of the noonday lunches with her friends at the "Mansion" or the monthly Birthday Parties at McDonald's. MANY HAPPY RETURNS!

SUTTON HOST TO HEALTH FAIR

SUTTON. The annual Millbury-Sutton Health Fair will take place on April 9, a Thursday, from noon to 8:00 p.m. at the Sutton Town Hall. Planning the Fair are Evenly Shaw, Sutton Public Health Nurse, and the District Nursing Society, serving Millbury, Sutton, and neighboring communities.

Many free health tests will be offered, including: blood pressure, glaucoma, hearing, visual acuity, oral cancer screening, diabetes screening. Among those performing the tests will be registered nurses, Dr. James Pialtos, local dentists, and audiologists from Worcester Hahnemann Rehabilitation Center. There will also be free literature available.

Volunteers are needed to help with the Fair. Please call Ann Campbell or Judy Bunnewith at 865-4373 or 865-3561 with your offer to help.

IRENE SULLIVAN ELECTED TO POST

MILLBURY. Irene B. Sullivan, Executive Director of the Millbury Housing Authority, has been voted President of the Southern Central Association of Housing Authorities (SCAHA) at its annual election held at the Westboro Housing Authority in January.

Mrs. Sullivan is a Certified Public Housing Manager. She serves as a member of the Housing Committee of the Massachusetts Chapter of the National Association of Housing and Redevelopment Officials (NAHRO), and as a member of the Advisory Committee for the development of the amended Tenant Selection and Tenant Transfer Regulations.

Mrs. Sullivan is a participating member of the Fuel Crisis Program for the Town of Millbury. She is a member of the Fair Housing Committee and serves as the Fair Housing Officer for the Millbury Housing Authority.

The Millbury Housing Authority administers 146 elderly units (667), 25 family units (Chapter 200-1), 13 family units (Chapter 705), and 30 elderly and family (scattered site leased housing units under the Chapter 707 program).

The Millbury Housing Authority has, in development, 23 units (Congregate Housing) for the elderly and handicapped under the 667 program, and a ten-twelve unit for the older adolescent under the Chapter 707 program.

SURPLUS FOOD DISTRIBUTION

SUTTON. There will be a surplus food distribution of butter, cheese and rice on Thursday, April 23, from 9-12 at the Dudley-Gendron Post on Boston Road. Any Sutton resident on food stamps, fuel assistance, SSI, disability, medicaid or low income, WIC, or AFDC, is eligible.

DRUG AND ALCOHOL EDUCATION PROJECT AT R.E. SHAW MIDDLE SCHOOL

MILLBURY. Three programs were given at the R.E. Shaw Middle School the week of March 2nd. The Central Massachusetts Chapter of the National Safety Council sponsored three drug and alcohol related presentations at the school for 6th and 7th graders.

On Tuesday, March 3, the Middlesex Juvenile Probation District presented a program out of the Lancaster pre-release center. The four speakers were inmates at the center. They spoke about how the influence of drugs and/or alcohol led to the commission of crimes. They also pointed out the realities of prison life and they effectively made students aware of the alternatives each person has. Robert B. Clifford, Chief Probation Officer, coordinated the 90-minute program.

On Thursday, March 5, P.A.T.S., (Probations Alternative Traffic School) instructors gave six 45-minute presentations to 6th and 7th grade students. They discussed the effects of alcohol on the body and how it impairs driving ability.

On Friday, March 6, Eunice, a recovered alcoholic, discussed with students the dramatic changes that affected her life as a result of drinking and taking drugs.

SCHOOL from Page 5

Principal Kelton Johnson explained that Millbury's scores (at the Grade 3 level) included special needs students who took the same test. He noted that other communities did not include special needs students in their testing. He went on to say that the State deleted the test results of special needs students when the curriculum assessment tests were taken last Spring, but failed to do the same thing last October with the Basic Skills test.

Johnson presented the Committee with what he considered the approximate scores if the 4 or 5 special needs students who took the test were not counted.

Grade 3

			Minus	
60 Standard	Content	Millbury	Special Needs	State
	Reading	95	98	96–99
	Math	96	99	97–100
70 Standard	Reading	88	94	93–98
	Math	91	96	95–99
80 Standard	Reading	84	90	87–95
	Math	80	86	86–94
	Writing	75	87	82–90

Grade 6 scores are as follows: At the 60 mark, Millbury scored 86 in Reading compared to the State 88-94. In Math, Millbury was 90, compared to the State's score of 90-96. At the 70 mark, Millbury scored 76 in Reading, compared to the State's 82-90. In Math, Millbury was 84 compared to the State score of 84-91. At the 80 mark, Millbury scored 67 in Reading compared to the State's 70-80. In Math, Millbury scored 71 compared to the State's score of 72-81. In Writing, Millbury scored 100 compared to the State score of 95-100.

Scores of the 9th grade were reported as follows:

At the 60 mark, Millbury scored 85 in Reading compared to the State score of 83-92. In Math, 9th graders scored 90 compared to the State score of 83-91. At the 70 mark, Millbury scored 81 in Reading compared to the State score of 77-86. In Math, Millbury scored 73 compared to the State score of 73-83. At the 80 mark, Millbury Scored 69 in Reading compared to the State score of 65-76. In Math, Millbury scored 57 compared to the State score of 56-57. In Writing, 9th graders scored 93 compared to the State score of 86-97.

Sylvia stated that the Administration has not as yet decided which standard mark the system will use, 60, 70, or 80, to help evaluate the student's educational needs. He did indicate that the individual test scores for students not passing the test would be given to teachers to assist them in working with individual students who need remedial help.

- Under "Information Items," Sylvia noted that a parent survey indicated that the schools were covering basic skills at an adequate level, but that there was need for stronger study skills.

An Employee's Survey emphasized the need for developing responsibility and dependability with students. Sylvia noted that he was not quite sure how it could be done but that attempts would be made.

The Committee then:

1. Unanimously approved a medical leave for an aide for the rest of this school year.

2. Having approved the maternity leave for an elementary teacher, directed the Superintendent to post a permanent sub position for the remainder of the year.

- Prior to moving into Executive Session to evaluate the Superintendent, Alan Tuttle, as a School Committee member, raised the issue of nepotism and a possible conflict of interest concerning two committee members, Chairman Hanratty and Bruce Pease. Both have members of their families employed in the system and both are not on tenure.

Tuttle expressed concern that it was important that an "appearance of a conflict of interest" could cause concern and that it would be appropriate for the matter to be reviewed by Town Counsel. He noted that the State Ethics Commission's regulations state that a "public disclosure" should be made and that a copy of the letter be filed with the Town Clerk. Tuttle also made reference to a Massachusetts Association of School Committee's letter from their legal counsel which indicated that "good taste" would dictate that a school committee member should refrain from matters similar to evaluations and votes that might have an effect on family members. The letter also suggested, in Tuttle's opinion, that there might be an appearance of a conflict of interest if the two members were to participate in the Superintendent's evaluation. Tuttle noted that he would not participate in the evaluation unless some action was taken.

Hanratty and Pease agreed not to participate and not to go into Executive Session with the other members.

The committee then voted unanimously to seek a review and an opinion from Town Counsel.

Three committee members then moved to Executive Session for the purpose of evaluating the Superintendent.

SUTTON SELECTMEN SEEKING "SEALER"

By Karen Potter

All Selectmen were present for their meeting which was held on Tuesday, March 17. The minutes of the previous three meetings were accepted without objection.

o Chairman John Reed opened discussion on the TLC Dog Kennels, located on Uxbridge Road, by outlining information he has gathered over the last few weeks. He visited kennels in Southbridge, Uxbridge, and Cherry Valley and was able to view their operations. Very impressed with one particular kennel, he described the physical layout complete with cinderblock indoor runs, climate control, an air purification system, and even piped-in music. He observed that, at a distance of 75 feet from the building, he could not hear any barking at all from this kennel which houses some 40-65 dogs indoors at all times.

Reed stated that while he knows that the Selectmen cannot demand that the owners of TLC install all of these sound controlling features, he will nonetheless suggest that they take some of them under consideration.

Carl Licopoli suggested that a limit be placed on the number of permitted animals housed at the facility. Noting that the season for dog boarding is fast approaching, Wally Johnson urged action by restating his position that the noise must stop.

o The next matter up for discussion was a proposed schedule of fees for building inspections, in particular, electrical and plumbing. It was noted that with all the new construction in Sutton this issue could become critical. The Selectman are seeking adequate compensation for town inspectors for what could become very busy positions. Selectmen were reminded that all fees collected must also be expended, and Carl Licopoli suggested that these funds might be used to help fund the proposed Town Engineer position under discussion at the Town Hall.

o Tom Judson, who has proposed a small subdivision on Jones Road, came before the Board with a special request. He is seeking an article for the Annual Town Meeting Warrant which will request that the town accept the gift of a small parcel of land. Acceptance of this parcel will facilitate installation of a cul-de-sac in his proposed subdivision, thereby providing the required frontage for one of the lots which is 5-8 feet short of the required public way frontage. While the Selectmen have no objection to this plan, Wally Johnson stated, "If the ZBA (Zoning Board of Appeals) or anyone else were against this, I'd vote against it. We don't have a right to usurp their authority."

SUTTON from Page 17

o Sutton does not currently have anyone serving as "Sealer of Weights and Measures". The Town did receive an offer from a Grafton resident to contract his work. However, Selectman Frank Gatto stated that he feels the position should first be offered to a Sutton resident. Mike Chizy agreed, suggesting that Sutton should contract the work on a year-to-year basis until such time as someone from Sutton is trained and qualified to do the job. John Reed reminded his fellow board members of the difficulty in getting volunteers to serve the Town, but he agreed with Wally Johnson's suggestion that the position be advertised.

o Administrative Assistant Bob Reed reviewed the Warrant for the Annual Town meeting which is scheduled for April 18, 1987. The Selectmen confirmed that they plan to adjourn town meeting shortly after it is convened on that day and thereby postpone business until the first one or two weeknights after Easter Sunday. Even though Holy Saturday falls on April 18th this year, the Selectmen reiterated that their reasoning behind the planned postponement is to see whether weeknight town meetings will be better attended than the traditional all day Saturday arrangement.

o David Streiby, Finance Committee Chairman, informed the Selectmen that his group has begun the line item review of departmental budgets and will have their recommendations ready for Town meeting. He said that his committee has some "serious considerations" to study, noting that some of what is being requested is in excess of what will be available from taxation.

CORRECTION

Town Elections will be held on Saturday, April 25. It was incorrectly reported in a previous edition that elections would be held on April 28th.
